Our travel partnership has seen us travel thousands of miles to three different continents to deliver soccer tours in the most beautiful cities and towns around the globe.

Previous tours

World Cup 2014

AM Sports Tours welcomed their customers to the stunning paradise city of Buzios for the World Cup in Brazil in 2014. An action packed schedule was filled with friendly games, training, live games and many outstanding sightseeing activities. Over 600 people got to experience this fantastic and unforgettable World Cup Academy as they got to witness first-hand the atmosphere of a soccer-mad country hosting the World's greatest international soccer tournament.

Women's World Cup 2015

The Women's World Cup was the next stop for AM Sports Tours as they delivered an elite training based programme in Whistler, Canada. The programme was open to all girls of mixed ages and abilities as we offered an elite training camp with elite coaches from the men and women's game working in partnership with AM Sports Tours to deliver high level training sessions for the girls in the lead up to a one day festival, incorporating live games and sight-seeing activities. A truly unbelievable setting made this trip something that will live in the memories forever!

Euros 2016

In June 2016, AM Sports tours delivered the Grimaud Cup to over 700 customers in Grimaud - a fantastic and unique town along the coast from the popular St Tropez. Players trained with professional coaches whilst competing in the Grimaud Cup versus local French teams, all twinned with live Euro 2016 games and visiting the famous St Tropez and Monaco while spending time relaxing on the beautiful beaches in the South of France.

Bienvenue à Grimaud

This medieval postcard-perfect hilltop village sits 3km inland from the Golfe de St-Tropez. It's crowned with the dramatic shell of Château du Grimaud, built in the 11th century

.....

Grimaud

Grimaud offers a variety of delights and adventures as it has a harmonious blend of old and new heritage from thousand year old pathways and streets to the elegant nature of Port Grimaud, also known as mini-Venice.

The village is beautifully immersed in culture with the Massif des Maures mountain range leading down through the vast open fields and vineyards down to the beautiful sandy beaches and warm Mediterranean sea over-looking the Gulf of St Tropez.

The various excursions on offer in and around Grimaud makes this quaint village in the South of France the ideal place for a relaxing and breath-taking holiday for the family. ●

Live games

AM Sports Tours provides match day tickets to live games at the biggest events and the Women's World Cup in France will be no different.

Previous tours have offered players the opportunity to watch the highest quality players in action as our customers watched Lionel Messi at the World Cup in Brazil, Cristiano Ronaldo helping Portugal to glory in the Euro 2016 campaign as well as watching Carly Lloyd score a hat-trick to lead USA to glory in the Women's World Cup in 2015.

We can gaurantee you will watch the USA whilst in France. If the location of the game is outwith the four venues located close to the accommodation (Nice, Montpellier, Grenoble and Lyon) then a surcharge for transport will be charged.

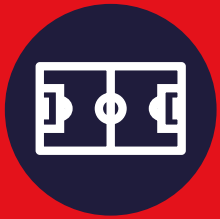

Games to be confirmed in December 2018. ●

.....
“It has always been my dream to take my son to watch FC Barcelona vs. Real Madrid at Camp Nou. AM Sports Tours made that dream come true!”

Carlos Flores, LA Premier FC

.....

Facilities

AM Sports Tours strive to provide top class training and playing facilities for the tour offering the players the best opportunity to train and play at the highest level they can.

The soccer facilities in Grimaud are located close to the hotel and offer a fantastic soccer environment for the players to train and play at. The soccer pitch is home of Grimaud FC and is an AstroTurf based field with options of 7, 9 and 11-a-side pitches.

.....
“The quality of the facilities alongside the amazing coaching has really set the standard and inspired all of us.”
.....

Hôtel Soleil de Saint Tropez

We understand the importance that beautiful, high quality surroundings plays on the psyche of a soccer player. We also want great facilities so that you can relax and enjoy your tour.

With this in mind we use hotels that will meet the specific needs of our groups and that share the same high standards as AM Sport Tours.

We have partnered with The Hôtel Soleil de Saint Tropez for this tour. The hotel is set in a 16,000m² park and features access to the beach which is just 350 yards from the hotel.

The Hotel property offers an on-site restaurant and pitch and putt course that can be used as a footgolf course.

Guest rooms are comfortable and spacious. They are all equipped with modern en suite facilities and most of them offer a view of the swimming pool and park. ●

Perfect for Parents

“The best time I have had since College”

AM Sports Tours are committed to making every trip a once in a lifetime experience not only for the players but for the parents as well.

We understand that parents sometimes need time on their own to relax or to visit some of the attractions at their own pace so we create a schedule that allows parents to take time out from the schedule, knowing that the players are in a safe environment where they are having fun.

The Gulf of Saint-Tropez is an irresistibly seductive area, and we will ensure you get to see the best of it. Whether that's experiencing the glitz and glamour of Monaco and St Tropez or the romance of Port Grimaud known locally as the mini Venice. Our schedule will perfectly balance the soccer, sightseeing and family time to ensure everyone can create memories that will last a lifetime. ●

“The staff took care of the kids, we didn't expect to have such a wonderful time seeing the sights and sounds”
